Table of Contents

How to Use this Document....M-1
Map 1. Planning Area for the Jarbidge RMP/EIS....M-1
Map 2. Surface Management in the Jarbidge Planning Area....M-2
Map 3. Multiple Use Areas in the No Action Alternative....M-3
Map 4. Wind Erosion Potential....M-4
Map 5. Water Erosion Potential....M-5
Map 6. Water Quality Impaired Streams....M-6
Map 7. Cumulative Impact Analysis Area for Water Resources, Riparian Areas and Wetlands, Fish, and Special Status Fish and Aquatic Invertebrates....M-7
Map 8. Potential Vegetation Communities and Vegetation Management Areas....M-8
Map 9. Existing Vegetation as of 2011....M-9
Map 10. 2016 Projected Vegetation....M-10
Map 11. Potential Reference Areas in Alternatives I and IV....M-11
Map 12. Potential Reference Areas in Alternative II....M-12
Map 13. Potential Reference Areas in Alternative III....M-13
Map 14. Potential Reference Areas in Alternative V....M-14
Map 15. Potential Reference Areas in Alternative VI (Proposed RMP)....M-15
Map 16. Proper Functioning Condition Ratings....M-16
Map 17. Big Game Winter Range and Restoration Areas....M-17
Map 18. Wildlife Tracts in the No Action Alternative and Alternatives I, II, III, IV, and V....M-18
Map 19. Wildlife Tracts in Alternative VI (Proposed RMP)....M-19
Map 20. Cumulative Impact Analysis Area for Wildlife....M-20
Map 21. Slickspot Peppergrass Habitat....M-21
Map 22. Riparian Conservation Areas....M-22
Map 23. Habitat Condition Ratings....M-23
Map 24. Bull Trout and Redband Trout Distribution....M-24
Map 25. Sage-Grouse Habitat....M-25
Map 26. Cumulative Impact Analysis Area for Sage-grouse....M-26
Map 27. Bighorn Sheep Habitat and Distribution....M-27
Map 28. Wildland Fire Frequency from 1987-2011....M-28
Map 29. Hazard Risk Rating for Wildland Urban Interface....M-29
Map 30. Fire Suppression Areas in Alternative I....M-30
Map 31. Fire Suppression Areas in Alternative II....M-31
Map 32. Fire Suppression Areas in Alternative III....M-32
Map 33. Fire Suppression Areas in Alternative IV-A....M-33
Map 34. Fire Suppression Areas in Alternative IV-B....M-34

Map 35. Fire Suppression Areas in Alternative V M-35
Map 36. Fire Suppression Areas in Alternative VI (Proposed RMP) M-36
Map 37. Saylor Creek Herd Management Area and Infrastructure within the HMA M-37
Map 38. Potential Fossil Yield Classes M-38
Map 39. Cultural Resource Density Zones M-39
Map 40. Visual Resource Inventory Classes M-40
Map 41. Visual Resource Management Classes in the No Action Alternative M-41
Map 42. Visual Resource Management Classes in Alternative I M-42
Map 43. Visual Resource Management Classes in Alternative II M-43
Map 44. Visual Resource Management Classes in Alternative III M-44
Map 45. Visual Resource Management Classes in Alternative IV-A M-45
Map 46. Visual Resource Management Classes in Alternative IV-B M-46
Map 47. Visual Resource Management Classes in Alternative V M-47
Map 48. Visual Resource Management Classes in Alternative VI (Proposed RMP) M-48
Map 49. Lands with Wilderness Characteristics M-49
Map 50. Cumulative Impact Analysis Areas for Lands with Wilderness Characteristics, Recreation, Transportation and Travel, Wild and Scenic Rivers, and Wilderness Study Areas M-50
Map 51. Range Infrastructure M-51
Map 52. Areas Available and Unavailable for Livestock Grazing in the No Action Alternative M-52
Map 53. Areas Available and Unavailable for Livestock Grazing in Alternative I M-53
Map 54. Areas Available and Unavailable for Livestock Grazing in Alternative II M-54
Map 55. Areas Available and Unavailable for Livestock Grazing in Alternative III M-55
Map 56. Areas Available and Unavailable for Livestock Grazing in Alternative IV-A M-56
Map 57. Areas Available and Unavailable for Livestock Grazing in Alternative IV-B M-57
Map 58. Areas Available and Unavailable for Livestock Grazing in Alternative V M-58
Map 59. Areas Available and Unavailable for Livestock Grazing in Alternative VI (Proposed RMP) M-59
Map 60. Cumulative Impact Analysis Area for Livestock Grazing M-60
Map 61. Special Recreation Management Areas in Alternative I M-61
Map 62. Special Recreation Management Areas in Alternative II M-62
Map 63. Special Recreation Management Areas in Alternative III M-63
Map 64. Special Recreation Management Areas in Alternative IV M-64
Map 65. Special Recreation Management Areas in Alternative V M-65
Map 66. Special and Extensive Recreation Management Areas in Alternative VI (Proposed RMP) M-66
Map 67. Recreation Management Zones in Alternative I M-67
Map 68. Recreation Management Zones in Alternative II M-68
Map 69. Recreation Management Zones in Alternatives III and IV M-69
Map 70. Recreation Management Zones in Alternative VI (Proposed RMP) M-70
Map 71. Travel Routes as of 2011 ..... M-71
Map 72. Travel Designations in the No Action Alternative M-72

Map 73. Travel Designations in Alternative I M-73
Map 74. Travel Designations in Alternative II M-74
Map 75. Travel Designations in Alternative III M-75
Map 76. Travel Designations in Alternative IV M-76
Map 77. Travel Designations in Alternative V M-77
Map 78. Travel Designations in Alternative VI (Proposed RMP) M-78
Map 79. Travel Management Areas in Alternative I M-79
Map 80. Travel Management Areas in Alternative II M-80
Map 81. Travel Management Areas in Alternative III M-81
Map 82. Travel Management Areas in Alternative IV M-82
Map 83. Travel Management Areas in Alternative V M-83
Map 84. Travel Management Areas in Alternative VI (Proposed RMP) M-84
Map 85. Communication Sites M-85
Map 86. Utility Avoidance Areas in the No Action Alternative M-86
Map 87. ROW Avoidance Areas in Alternative I M-87
Map 88. ROW Avoidance Areas in Alternative II M-88
Map 89. ROW Avoidance Areas in Alternative III M-89
Map 90. ROW Avoidance Areas in Alternative IV M-90
Map 91. ROW Avoidance Areas in Alternative V M-91
Map 92. ROW Avoidance Areas in Alternative VI (Proposed RMP) M-92
Map 93. ROW Exclusion Areas in the No Action Alternative and Alternative II M-93
Map 94. ROW Exclusion Areas in Alternatives I, III, and VI (Proposed RMP) M-94
Map 95. ROW Exclusion Areas in Alternative IV M-95
Map 96. ROW Exclusion Areas in Alternative V M-96
Map 97. Utility ROW Corridors M-97
Map 98. Wind Resource Potential M-98
Map 99. Expected Wind Development Areas in the No Action Alternative M-99
Map 100. Expected Wind Development Areas in Alternative I M-100
Map 101. Expected Wind Development Areas in Alternative II M-101
Map 102. Expected Wind Development Areas in Alternative III M-102
Map 103. Expected Wind Development Areas in Alternative IV M-103
Map 104. Expected Wind Development Areas in Alternative V M-104
Map 105. Expected Wind Development Areas in Alternative VI (Proposed RMP) M-105
Map 106. Land Tenure Allocations in the No Action Alternative M-106
Map 107. Land Tenure Zones in Alternative I M-107
Map 108. Land Tenure Zones in Alternative II M-108
Map 109. Land Tenure Zones in Alternative III M-109
Map 110. Land Tenure Zones in Alternative IV-A M-110
Map 111. Land Tenure Zones in Alternative IV-B M-111

Map 112. Land Tenure Zones in Alternative V M-112
Map 113. Land Tenure Zones in Alternative VI (Proposed RMP) M-113
Map 114. Potential Oil and Gas Development Areas M-114
Map 115. Geothermal Development Potential M-115
Map 116. Leasable Mineral Allocations in Alternative I M-116
Map 117. Leasable Mineral Allocations in Alternative II M-117
Map 118 Leasable Mineral Allocations in Alternative III M-118
Map 119. Leasable Mineral Allocations in Alternative IV-A M-119
Map 120. Leasable Mineral Allocations in Alternative IV-B M-120
Map 121. Leasable Mineral Allocations in Alternative V M-121
Map 122. Leasable Mineral Allocations in Alternative VI (Proposed RMP) M-122
Map 123. Salable Mineral Allocations in Alternative I M-123
Map 124. Salable Mineral Allocations in Alternative II M-124
Map 125. Salable Mineral Allocations in Alternative III M-125
Map 126. Salable Mineral Allocations in Alternative IV-A M-126
Map 127. Salable Mineral Allocations in Alternative IV-B M-127
Map 128. Salable Mineral Allocations in Alternative V M-128
Map 129. Salable Mineral Allocations in Alternative VI (Proposed RMP) M-129
Map 130. Locatable Mineral Allocations in Alternative I M-130
Map 131. Locatable Mineral Allocations in Alternative II M-131
Map 132. Locatable Mineral Allocations in Alternative III M-132
Map 133. Locatable Mineral Allocations in Alternative IV M-133
Map 134. Locatable Mineral Allocations in Alternative V M-134
Map 135. Locatable Mineral Allocations in Alternative VI (Proposed RMP) M-135
Map 136. ACECs in the No Action Alternative M-136
Map 137. Nominated ACECs in Alternative I M-137
Map 138. Nominated ACECs in Alternative III M-138
Map 139. Nominated ACECs in Alternative IV-A M-139
Map 140. Nominated ACECs in Alternative IV-B M-140
Map 141. Nominated ACECs in Alternative V M-141
Map 142. Nominated ACECs in Alternative VI (Proposed RMP) M-142
Map 143. The Oregon NHT Protective Zones and Management Corridors M-143
Map 144. The Kelton and Toana Freight Road Protective Corridors M-144
Map 145. The Bruneau-Jarbidge Rivers Wilderness and Lower Salmon Falls Creek WSA M-145
Map 146. Wild and Scenic River Segments M-146
Map 147. Cumulative Impact Analysis Area for Social and Economic Conditions M-147
Map 148. Scenic Quality Ratings for Visual Resource Inventory Class Determination M-148
Map 149. Sensitivity Ratings for Visual Resource Inventory Class Determination M-149
Map 150. Distance Zones for Visual Resource Inventory Class Determination M-150
