

This map contains the best available data for communities located within the planning area. If a community is not in the map legend, no known spatial data exists.

Use areas change through time and are not fixed entities. Land outside these areas should not be assumed to be less important to community residents.

<p>Subsistence Use Area Fish - Salmon, Whitefish</p> <p> Communities of: Tok, Tetlin, Dot Lake, Northway and Tanacross</p> <p><i>Individual village subsistence use areas were combined in this planning subunit because overlapping areas did not allow for clear cartographic display.</i></p>	<p> Planning Area & Subunit Boundaries</p> <p> BLM-Managed Lands</p> <p> Wild & Scenic River Corridor</p>
