The Holder shall annually furnish either a copy of the insurance policy or certificate of insurance to the Authorized Officer.

The policy shall contain a specific provision or rider to the effect that the policy will not be canceled or its provisions changed or deleted before thirty (30) day's written notice by the insurance company to the BLM.

The insurance policy shall name the United States as an additional insured (not co-insured) and provide for specific coverage for the Holder's contractually assumed obligation to indemnify the United States. The name on the insurance policy or certificate of insurance shall be the same as the grant Holder.
