Scoping Comment Form
Normally Pressured Lance Natural Gas Development Project
Mail or deliver to BLM Pinedale Field Office (no later than May 12, 2011)
All information provided on this form (including contact information) will become public record.

We, at the Hampton Inn & Suites are hoping for a 3 year smooth transition! It would be an economic devastation for the Pinedale area if Encana has to send workers home for an additional year to year & a half!

We are confident that Encana will mitigate the air quality impact in this area as well.

We are excited at the prospect of the NPL development offering more long term employment in the area. This equates to a nice boom to local economy which Pinedale needs right now!

Regards,
