Comments (use back if needed):

I am not yet 28 and I have the burden of cleaning up the despicable, AVOIDABLE disasters left by generations before me. BLM has the responsibility to care for my future. PLEASE - NO MORE. Coal is a dying industry, Please do not drag this out. Please do not allow this toxic, finite resource to be dragged through the PNW - Please help be part of the transition - Our land is also our grandchildren's. NO More leasing!
