February 2, 2018

Dr. Mouritsen,

I am writing to you in protest of the Bureau of Land Management's planned oil & gas lease sale from December of 2017 on the Marietta unit of the Wayne National Forest. This includes 39.65 acres in Monroe Co. and 305.84 acres in Noble Co. This sale is unlawful and against the forest management plan.

Please do not publish my address or identifying information publicly.
