

## Alternative B: Oil and Gas, Leased, No New Surface Occupancy

Action B-FFME 2: In PPMAs, provide the following conservation measures as terms and conditions of the approved RMP: Do not allow new surface occupancy on federal leases within PPMAs, this includes winter concentration areas (Doherty et al. 2008; Carpenter et al. 2010) during any time of the year. Two exceptions considered, see text.

Leased, no new surface occupancy
