Recreation Target Shooting Closure Alternatives Comparison Table

Alternative 1	All existing BLM, Clark County, and Nye County recreational target shooting closures will be retained
Alternative 2	Recreational target shooting: Existing BLM, Clark County, and Nye County closures would be retained. Closed within a quarter mile of the sand dune within the Big Dune SRMA. The Logandale North RMZ would be closed. The Mesquite Community gravel pit would be closed. Extend the existing closure boundary down to the south edge of Red Rock Canyon National Conservation Area. This includes T. 232 R. 59E, Sec. 1-4, 9-16, 21-27, and 34-36; T. 232, R. 60E, Sec. 2-11, 14-23, and 26-36; T. 245, R. 59E, Sec. 1-3; and T. 245, R. 60E, Sec. NW ¼, Sec. 1, 2-6
Alternative 3	Recreational target shooting: Existing shooting closures for BLM in Clark County would be retained. The Logandale North RMZ would be closed. The Mesquite Community gravel pit would be closed
Alternative 4	Recreational target shooting: Shooting is permitted throughout the planning area provided it is in accordance with existing BLM regulations and policies
