

Appendix X
Maps and Appendices Crosswalk

1 INTRODUCTION

Maps Crosswalk and Appendices Crosswalk provide a crosswalk for maps and appendices between Final San Juan National Forest and Proposed Tres Rios Field Office Land and Resource Management Plan (LRMP, 2013) and Approved Resource Management Plan (RMP).

3 APPENDICES CROSSWALK

The following Table X.2 is a crosswalk for appendices from the Final San Juan National Forest and Proposed Tres Rios Field Office Land and Resource Management Plan (September, 2013) and the Tres Rios Field Office Approved RMP. The following rows which are grayed out are applicable to Forest Service lands. Appendices A, E, H, L, N, and X are printed in the Approved RMP and others (not grayed out) may be accessed online at the BLM land use planning website:
