## Areas Open to Mineral Entry and Oil and Gas Leasing Alternative D - Bering Glacier RNA Map 5

Bureau of Land Management Glennallen Field Office

East Alaska Resource  
Management Plan (EARMP)

- EARMP Planning Area
- Outlined areas open to mineral entry and oil and gas leasing
- Closed to mineral entry and oil and gas leasing

- \*General Land Status**
- BLM, Unencumbered
  - BLM, Native-selected
  - BLM, State-selected
  - BLM, Dual-selected

Selected lands have a segregation against mineral entry and oil and gas leasing and would only be open if retained in long-term Federal ownership.

This map does not show the status of mineral entry or oil and gas leasing on State or Native coporation lands.

1:800,000      1 inch equals 13 miles

\*Land status is only depicted in areas open to mineral entry and oil and gas leasing.

Great care has been taken to ensure that the information represented is as accurate and complete as possible at the time of compilation. However, the information displayed on this map is intended to be used for graphic representation only. For official land status, refer to legal case-files and plats.

# Revocation of Portions of PLO 5150

## Map 6

Bureau of Land Management Glennallen Field Office

East Alaska Resource Management Plan

-  EARM Planning Area
-  Wild and Scenic River Corridor
-  Current Boundary of PLO 5150
-  Portion of PLO 5150 revoked under this RMP

The portion of PLO 5150 being revoked under this RMP would be available for conveyance to the State of Alaska. It would also make the land unavailable for subsistence hunting under the Federal system.

This map does not display the entire PLO 5150 boundary, only that portion affected by this RMP.

1:500,000 1 inch equals 8 miles

\*Land status is only depicted inside the planning area.

Great care has been taken to ensure that the information represented is as accurate and complete as possible at the time of compilation. However, the information displayed on this map is intended to be used for graphic representation only. For official land status, refer to legal case-files and plats. data\RMP\Maps\RMP\_Maps6\_plo5150 June 2007

# Areas Open to Oil and Gas Leasing

## Map 7

Bureau of Land Management Glennallen Field Office

East Alaska Resource Management Plan (EARMP)

- EARMP Planning Area
- Areas Open to Oil and Gas Leasing

All other BLM-managed lands within the EARMP planning area would not have immediate mineral leasing occur due to segregation from withdrawal or State or Native selection.

Great care has been taken to ensure that the information represented is as accurate and complete as possible at the time of compilation. However, the information displayed on this map is intended to be used for graphic representation only. For official land status, refer to legal case-files and plats.
