The purpose of this map is to help you identify issues, concerns, and opportunities that the BLM should consider. This map is for scoping only, and should not to be used for direction-finding. The following scoping information would be the most useful:

1. Are there recreation programs, services, or facilities you would like to be developed?
2. Which hiking, mountain biking, equestrian, or OHV routes are most important to your recreation experience?
3. What factors should be considered when evaluating routes and making route designation recommendations?

You can use the map to identify issues and opportunities for BLM in several ways:

1. Print the map, write on it, and mail it to:
   Marilyn Peterson, BLM Project Lead
   Bureau of Land Management
   4701 N. Torrey Pines Drive
   Las Vegas, NV 89130

2. Use the Adobe Acrobat sticky note tool to write on it digitally and email as an attachment to LVFO_RAMPS@blm.gov
