This unsigned Finding of No Significant Impact (FONSI) and its corresponding Environmental Assessment (EA) DOI-BLM-UT-W010-2018-0026-EA for the March 2019 Competitive Oil and Gas Lease Sale, Salt Lake Field Office Area Parcels project are available for a 30-day public review and comment period (November 15, 2018 through December 15, 2018).

Based on the analysis of potential environmental impacts presented in the EA and consideration of the significance criteria in 40 CFR 1508.27, it has been determined that Alternative A (Proposed Action) would not result in significant impacts on the human environment. An environmental impact statement (EIS) is not required. The decision to select this or another alternative, and if appropriate, a signed FONSI with rationale, will be released after consideration of public review and comments on the EA.
