**RIGHT-OF-WAY GRANT  
IDI-16937 EXHIBIT A**

**STIPULATIONS**

1. The holder, by accepting this right-of-way grant, agrees and consents to comply with and be bound by the following terms and conditions:
  - a. To the extent practicable, all Federal and State laws applicable to the authorized use and such additional Federal and State laws along with the implementing regulations that may be enacted and issued during the term of the grant.
  - b. That in the operation, and termination of the authorized use, there shall be no discrimination against any employee or applicant for employment because of race, creed, color, sex, age, religion, disability or national origin and all subcontracts shall include an identical provision.
2. The Holder of this right-of-way grant or the Holder's successor in interest shall comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.) and the regulations of the Secretary of the Interior issued pursuant thereto.
3. There is reserved to the Secretary of the Interior, or his lawful delegate, the right to grant additional rights-of-way or permits for compatible uses on, over, under or adjacent to the land involved in this grant.
4. The holder agrees to indemnify the United States against any liability arising from the release of any hazardous substances or hazardous waste (as these terms are defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. 9601, et. seq. or the Resource Conservation and Recovery Act, 42 U.S. C. 6901 et. seq.) on the permit area (unless the release or threatened release is wholly unrelated to the right-of-way holder's activity on the right-of-way). This agreement applies without regard to whether a release is caused by the holder, its agent, or unrelated third parties.
5. The holder shall conduct all activities associated with the operation and termination of the right-of-way in a manner that will minimize disturbance to vegetation, drainage channels and stream banks. The holder shall take resource conservation and protection measures on the right-of-way as the authorized officer deems reasonably necessary. Areas disturbed during activities associated with the operation and termination of the right-of-way shall be reseeded at the discretion of the authorized officer with a seed mixture and rate of success to be determined by the authorized officer.
6. If snow removal from right-of-way area is undertaken, equipment used for snow removal operations shall be equipped with shoes to keep the blade 1.5 inches off the road surface. Holder shall take special precautions where the surface of the ground is uneven and at drainage crossings to ensure that equipment blades do not destroy vegetation.
7. The holder shall be responsible for weed control on disturbed areas within the limits of the right-of-way. The holder is responsible for consultation with the authorized officer and/or local authorities for acceptable weed control methods (within limits imposed in the grant stipulations).
8. Holder shall comply with the applicable Federal and State Laws and regulations concerning the use of pesticides (i.e. insecticides, herbicides, fungicides, rodenticide, and other similar substances) in all activities/operations under this grant. Pesticides shall be used only in accordance with their registered uses and within the limitations imposed by the Secretary of the Interior. Prior to the use of pesticides, the holder shall obtain from the authorized officer written approval of a plan showing the type and

quantity of material to be used, pest(s) to be controlled, method of application, location of storage and disposal of containers, and any other information deemed necessary by the authorized officer. Emergency use of pesticides shall be approved in writing by the authorized officer prior to such use. Pesticides shall not be permanently stored on public lands authorized for use under this grant. Applicator(s) shall hold a current applicator's license.

9. Holder shall maintain the right-of-way in a safe, usable condition, as directed by the authorized officer.
10. In addition to the stipulations listed above the holder shall be responsible for implementing and following the Mitigation Measures and Standard Stipulations identified in the attached Plan of Development.
