Lee Kirk	Project Manager; Supervisory Outdoor Recreation Planner	Project Manager; Recreation, Wild and Scenic Rivers
Mark Boatwright	Archaeologist	Cultural Resources, Native American Coordination, Paleontological Resources
Lauren Brown	Visual Resources Specialist	Visual Resources
Nora Caplette	Weed Management Specialist	Invasive Species/Noxious Weeds
Lisa Christianson	Air Quality Specialist	Air Quality, Greenhouse Gas Emissions
Lorri Dee Dukes	Geologist	Geology/Mineral Resources/Energy Production
Fred Edwards	Botanist	Threatened, Endangered, Special Status (TES) Plant Species, Woodland/Forestry
Susan Farkas	Planning and Environmental Coordinator	NEPA, Environmental Justice, Socioeconomics
Krystal Johnson	Wild Horse and Burro Specialist	Farmlands (Prime or Unique), Livestock Grazing, Rangeland Health Standards, Wild Horse and Burros
Sendi Kalcic	Wilderness Planner	BLM Natural Areas, Wilderness/WSA, Lands with Wilderness Characteristics
Katie Kleinick	Natural Resource Specialist	Threatened/Endangered or Candidate Plant Species, Woodland/Forestry Vegetation (excluding federally-listed species)
Rich Livreri	Maintenance Supervisor	Maintenance
Greg Marfil	Fire Planner	Fuels/Fire Management
Jane Miller	Realty Specialist	Lands/Access/Rights-of-Way
Robert Mitsuyasu	Supervisory Staff Ranger	Law Enforcement

## Draft Environmental Assessment

Name	Title	Responsible for the Following Section(s) of this EA
Borris Poff	Hydrologist	Floodplains, Hydrologic Conditions, Soils, Water Resources, Water Resources/Quality (drinking/surface/ground), Wetlands/Riparian Zones
Amelia Savage	Wildlife Biologist	Areas of Critical Environmental Concern (ACEC), Fish and Wildlife (excluding federally-listed species), Migratory Birds, Threatened/Endangered or Candidate Animal Species
Kate Sorom	Interpretive Ranger	Interpretive
Chad Vellinga	Civil Engineer	Engineering
		Health and Human Safety

## 6.2 Consultant Contributors and Preparers

Name	Title	Responsible for the Following Section of this EA
<b>J.F. Sato and Associates</b>		
Jose Cornejo, PE	Principal-in-Charge	Project Description
Andrew Holton, PE	Project Manager/Design Coordinator	Project Description, Construction Phasing
Tim Tetherow	Principal/Project Oversight	Project Description, Introduction, Visual Resources
Meghan Adams	Graphics and Document Production Specialist	Graphics Support
Sarita Douglas	Environmental Planner	Cumulative, Socioeconomics, Air Quality, Chapter 4 Methodology
Jim Habiger	Technical Writer/Editor	Preparation of all Chapters
Tracie Hopper	Administrative Assistant	Project Description
Laurie Moran	Project Engineer	Trail Design
Dawn Paling, PE	Structural Engineer	Structures
Linda Stuchlik	Technical Editor	Editing/Formatting of all chapters
Krista Trofka	Geographic Information System Specialist	Visual Resources Methodology, Vegetation Maps, Soils Maps, Viewsheds, Project Location Map
Gaurav Vasisht, PE, PTOE	Transportation Engineer	Traffic
Larry Young	Environmental Specialist	Soils, Hydrology, Floodplains, Water Resources, Vegetation, Mitigation

Name	Title	Responsible for the Following Section of this EA
<b>Belt Collins West</b>		
Justin Atherton-Wood, ALSA	Project Manager/Coordination (former)	Project Description
Bill Bobzien, RLA LEED AP	Principal-in-Charge	Design Oversight
Josh Mehlem	Project Manager/Coordination/Landscape Design	Interpretative Plan
Steve Leslie, PE	Senior Engineer	Review of Floodplains/Hydrology/Water Resources Impacts/Mitigation
Brianna Wallace, PE	Hydrology and Hydraulic Modeling	Drainage, Hydrology/Hydraulic
David Love, PE	Quality Assurance and Quality Control	Drainage, Hydrology/Hydraulic
<b>Alpine Ecological Resources</b>		
Andy Herb	Ecologist/Owner	Biological Resources - Special Status Species, Threatened, Endangered and Candidate Species (Animals and Plants), & Vegetation
<b>Yeh and Associates</b>		
Jere Strickland	Sr. Project Manager	Contracts, Environmental Assessment for Geotechnical Borings (RRCNCA SR-159 Multi-Use Trail – Zone 2)
