Dear Grazing Permittees/Interested Publics,

A printing error was discovered in the 06 Livestock Company (Castlehead-Lambert Allotment) Proposed Decision dated January 28, 2013, which was issued via Certified Mail on February 13, 2013. On page 12 of this Proposed Decision, it was discovered that the lower two-thirds of the page was omitted by error. In order to address this error, corrections have been made to the 06 Livestock Company (Castlehead-Lambert Allotment) Proposed Decision dated February 14, 2013, which is enclosed.

The enclosed February 14, 2013, 06 Livestock Company (Castlehead-Lambert) Proposed Decision replaces the previous 06 Livestock Company (Castlehead-Lambert Allotment) Proposed Decision dated January 28, 2013. A new 15-day protest period for this particular decision will begin upon receipt of this Certified Mailing. That being said, the 15-day protest period for the other three Proposed Decisions dated January 28, 2013 (Teo and Sarah Maestrejuan; Petan Company of Nevada, Inc.; and 06 Livestock Company - Swisher Springs and Swisher FFR), mailed on February 13, 2013, will not be effected.

I apologize for any inconveniences this may cause you. If you have any questions, please do not hesitate to contact Jake Vialpando - NPR Project Manager at (208) 373-3814 or myself at (208) 896-5912.

Sincerely,

Acting for
Loretta V. Chandler
Owyhee Field Manager
