
PROPOSED WATER PIPELINE ROUTE

LEGEND

Study Area

Proposed Components

- Proposed Langley Gulch Power Plant Site
- Proposed 230-kV Transmission Line Interconnection
- Proposed 138-kV Transmission Line Route
- Proposed Water Pipeline

Existing Utilities

- Transmission Line

Transportation

- Interstate Highway
- U.S. Highway
- State Highway
- Railroad

Boundaries

- State Boundary
- County Boundary

Jurisdiction

- Bureau of Land Management
- Bureau of Reclamation
- State of Idaho
- Private

0 0.25 0.5 Miles

LOCATOR MAP

REVISED: APRIL 13, 2010

SOURCES: BTS, ESRI, IDWR, BLM, USGS, IDAHO POWER
