

## **Decision Record**

### **Determination of NEPA Adequacy (DNA)**

**DOI-BLM-NV-W010-2012-0011-DNA**

#### **Dusty Mine Occupancy**

I have reviewed this Documentation of Land Use Plan Conformance and Determination of NEPA Adequacy (DNA) and have determined that the proposed action is in conformance with the approved land use plan (Sonoma Gerlach Resource Area Management Framework Plan, July 9, 1982).

On the basis of the information contained in the DNA Worksheet (attached), it is my determination that implementation of the proposed action will not have environmental impacts beyond those already addressed in Environmental Assessment(s)

Finding of No Significant Impacts and Preliminary Programmatic Environmental Assessment for: Selected Actions for Mining Claim and Millsite Use and Occupancy in Nevada. (March, 2000) (Publication Number: BLM/NV/PL-00/009+3833).

Standard Mine Project Expansion Environmental Assessment. (Decision Record/Finding of No Significant Impact March 2010). (DOI-BLM-NV-W010-2010-0002-EA)

Therefore, it is my decision to implement the project, as described, in the DNA Worksheet.
