

Finding of No Significant Impact
Weiser-Galloway Right-of-Way and Geologic Investigation
Environmental Assessment DOI-BLM-ID-B010-2012-0027-EA

I have reviewed the Council on Environmental Quality Regulations (CEQ) for significance (40 CFR 1508.27) and have determined the actions analyzed in DOI-BLM-ID-B010-2012-0027-EA would not constitute a major federal action that would significantly affect the quality of the human environment; therefore an Environmental Impact Statement is not required. This finding was made by considering both the context and intensity of the potential effects, as described in the above EA.
