

Finding of No Significant Impact

Free Use Firewood for Collier-Sanuki, FF096703

Finding of No Significant Impact:

I have reviewed Environmental Assessment DOI-BLM-AK02000-2013-0024 and have concluded that the impacts of harvesting firewood on public lands for personal use on BLM managed lands in the Fairbanks area have been adequately addressed. No stipulations were generated in the EA and there are no impacts that approach the threshold of significance. Therefore, I have determined that a Finding of No Significant Impact is appropriate and an environmental impact statement is not required.
