|---|--|
| Alternative A Infrastructure              | Proposed or Permitted (not part of GMT1) |
| Pipeline                                  | Pipeline                                 |
| Road                                      | Road                                     |
| 14 inch Water <sup>1</sup> Injection Line | Facility                                 |
| Bridge                                    | Existing                                 |
| Facility                                  | Pipeline                                 |
|   | Road                                     |
| Study                                     | Facility                                 |
| Colville Delta Study Area                 | Boundary                                 |
| NPR-A Study Area                          | NPR-A                                    |
|   | Project Study Area                       |

- Research Subarea
- |                     |                             |
|---------------------|-----------------------------|
| Alpine West Subarea | Fish Creek Delta Subarea    |
| CD North Subarea    | Fish Creek West Subarea     |
| CD South Subarea    | Judy Creek Corridor Subarea |
| Development Subarea | Northeast Delta Subarea     |

Footnote:  
a= Aerial survey boundary extent for the development subarea was reduced eastward for 2011-2012 avian surveys. The boundary for previous aerial surveys of the Development subarea ran approximately along 152-15'W.  
Footnote:  
1: 14 inch Water Injection line from CD1/APF to CD4N will be constructed on a new pipe rack. From CD4N to CD5 the 14-inch Water Injection line will be placed on the already proposed or permitted pipe rack (not part of GMT1).
