

CFO DESIGN CRITERIA

SENSITIVE/NATURAL RESOURCES

Special Status Animals

| | |
|---|---|
| Bald eagle nests Bald eagle winter habitat Bald eagle winter roosts Bat roosts or maternity colonies Canada lynx habitat*** California myotis Calliope hummingbird Coast mole Fisher Flammulated Owl Fringed myotis Grey wolf habitat Hammon's flycatcher Harlequin duck | Lewis woodpecker Mountain quail Northern goshawk habitat Northern Idaho Ground Squirrel*** Olive-sided flycatcher Other BLM sensitive species Other ID species of concern Townsend's big-eared bat White-headed woodpecker Williamson's sapsucker Willow flycatcher Wolverine*** Yellow-billed cuckoo** |
|---|---|

Special Status Plants

Special Status Fish

| | |
|--|--|
| Bank Monkey-flower Broad-fruit mariposa Candystick Case's corydalis Chatterbox orchid Deer-fern Douglas' clover Dwarf gray rabbitbrush Goldenback fern Green-band mariposa lily Idaho barren strawberry Idaho Hawksbeard Jessica's aster | MacFarlane's four-o'clock*** Palouse goldenweed Payson's milkvetch Plumbed clover Purple thick-leaved thelypody Puzzling halimolobos Simpson's hedgehog cactus Spacious monkey-flower Spaulding's catchfly*** Tolmie's onion Western ladies-tresses Whitebark Pine* |
|--|--|

| |
|---|
| Bull trout*** Cutthroat trout Fall Chinook salmon*** Pacific lamprey Reband trout Spring/summer Chinook salmon*** Sockeye salmon*** Steelhead trout*** Westslope cutthroat trout Designated Critical Habitat for ESA-listed Fish Routes proximate to status fish spawning areas |
|---|

*Federal Candidate Species, **Federal Proposed Species, ***Endangered Species Act (ESA)-Listed

Managed Species

Big Game Security Habitat
 Big Game Summer Habitat
 Big Game Winter Range
 Big Game Crucial Water Source
 Bighorn Sheep Lambing Area
 Craig Mountain Mitigation Species-IDF&G
 Elk Calving Area
 Fisheries (sport & native)
 Golden eagle nest
 Mule deer year-round
 Peregrine falcon nest
 Other
 Waterfowl
 Wild turkey roost

Water Resources

Canal/Diversion
 Ephemeral Stream
 Culverts/Bridges designed for 100 year flow event
 Intermittent Fish-Bearing
 Intermittent Non-Fish Bearing
 Lake / Reservoir
 Perennial Fish Bearing
 Perennial Non-fish Bearing
 Other
 Route crossing stream/waterway
 Route density within Riparian Conservation Areas
 Spring
 TMDL Streams
 Wash
 Well
 303D waterway

Miscellaneous Resources

Cave
 Cryptobiotic Soil
 Erosive Soil - High potential
 Erosive Soil - Moderate Potential
 Erosive Soil - Low Potential
 High Potential Fugitive Dust
 Hydric Soil/Wetland
 Land Slide Prone
 Other
 PM 10 Short term Exceedance
 PM 2.5 Short term Exceedance
 Saline Soils

Cultural Resources

Eligible or Listed Cultural Res. (Criteria A, B, C, D, or uneval.)
 Historic Trail
 Other
 Native American Uses
 No Survey

LANDS/REALTY & MINING RESOURCES

Leased Facilities

| | |
|---|---|
| Apiary Site Commercial Rec Permit Commercial Rec Site Easement Exclusive Land Use Exclusive Road Easements Non-Exclusive Road 2920 Lease/Permit Other | Timber/Woodland Product Sales Area R&PP Lease ROW - Non-linear ROW - Other ROW - Power ROW - Power line Timber/Woodland ROW - Road ROW - Telephone /Comm Site ROW - Water Pipeline |
|---|---|

ROW= Right-Of-Way

Mining Facilities

| | |
|--|---|
| Adit/Mine Shaft AML Site-Abandoned Mines AML Site - Environmental AML Site - Physical Safety AML Site - Reclaimed Physical Safety AML Site-Reclaimed Environmental Gravel Pit Leasable - phosphate etc. production Locatables - minerals production Mine-Active | Mine-Inactive Mining Claim Minerals Exploration Mineral Material Site Mine monitoring well Mine-Inactive Occupied-mine sites Unoccupied-mine sites Other Tailings Pond |
|--|---|

FORESTRY & RANGE MANAGEMENT

Forestry Facilities

| |
|--|
| Decommissioned Route-remove from database Decommissioned Route-maintained in database Other Agency Timber Management Access Primary Timber Haul Route Private Timber Harvest Access Route Provides Access To Future Timber Harvest Block or Sale Area (1-4 years) Route Provides Access To Future Timber Harvest Block or Sale Area (5-10 years) Routes Provide Access to Landing Zone-Active Routes Provide Access to Landing Zone-InActive Route Provides Access to Timber Harvest Area (for monitoring, weed control, thinning, etc.) Secondary Timber Haul Route Tertiary Timber Haul Route |
|--|

Range Facilities

| | |
|---|--|
| Active Allotment In-active Allotment Allotment/Pasture Fences Cattle guard Corral Dam/Reservoir Developed Water Cattle guard Exclosure Fence Gate Gauge | Monitoring Study Areas Non-functioning reservoir Other Pipeline Ranch HQ / Building Spring Source Tank/Trough Water Storage Tanks Water Haul Site Weather station/Rain Windmill/Well |
|---|--|

Wildfire Facilities

Fuels Treatment-Potential Control Line
 Tertiary Emergency / Fire Suppression Route
 Secondary Emergency / Fire Suppression Route
 Primary Emergency / Fire Suppression Route
 Route Provides Necessary Alternative Fire Evacuation Route
 Staging Area
 Helicopter Landing Zone

RECREATION & TRAVEL MANAGEMENT

Route Information

Route information includes general descriptions of route width, route class and use level.

| Width | Class | Use Level |
|------------------|-----------------|--------------|
| Single Track | Primitive Roads | Low |
| Motorcycle Track | Roads | Medium |
| ATV Track | Trails | High |
| Dual Track | Unknown | Reclaiming |
| Graded Track | | Non-Existent |
| Two Lane Track | | |

Mode of Transportation

ATV
 Bicycle
 By Foot
 By Horse
 2WD vehicle
 4WD vehicle
 Motorcycle
 Other
 Snowmobile
 UTV

PUBLIC USE

Recreational Activities

| | |
|---|--|
| Antler shed hunting Bicycling Birding Boating Cultural / Historical Exploration Dispersed/Primitive Camping Equestrian Fishing Geocaching Hiking Hill Climbing Hunting | Mushroom/berry collection Other Photography Recreational Mining Rock Hounding Sightseeing Sledding Spiritual Visitor Traditional American Indian Uses Trapping Vehicle Exploring Wildlife Watching Woodcutting |
|---|--|

RECREATIONAL FACILITIES

Boat Ramp-Undeveloped
Campground-Developed
Campground-Undeveloped
Day Use Area
Developed Beaches/Beaches
Interpretive Site
Other
Parking Area-Undeveloped
Recreational Shooting Site - Undeveloped
Staging Area
Technical Vehicle Site / Trail
Trailhead
Trailhead - Undeveloped
Swimming Area
Vista

Resource Issues

Dumping / Littering
HazMat
Invasive Vegetation (concern and location)
Mine Hazard
Noxious Weeds
Other
Public Safety Issue
Route Proliferation- Off Trail Riding
Trespass
Vandalism

Resource Areas

ACEC/RNA-Area of Critical Environmental Concern/Research Natural Areas
Cooperative Management Areas (Craig Mountain)
Habitat Management Area
Inventoried Roadless Area
National Historic Trail
Primary Management Area
Proposed/Eligible/Suitable Wild and Scenic River
SRMA - Special Recreation Management Area
Wilderness
Weed Management Area
WSA - Wilderness Study Area

Visual Resources

VRM Class I - Preserve existing character
VRM Class II - Retain existing character
VRM Class III - Partially Retain existing character
VRM Class IV – Major Modification
