It is my decision to approve the issuance of a Special Recreation Permit (SRP) for an endurance run on the Continental Divide Trail. Reference the Environmental Assessment (EA # DOI-BLM-ID-1010-2014-0009-EA) Proposed Action section for additional details.

**Land Use Plan Conformance (LUP)**

Date Approved: April 1987, as amended

The proposed action is in conformance with the applicable LUP because it is specifically provided for in the following LUP decision:

Recreation Opportunities (Pg. 44.): A broad range of outdoor recreation opportunities will continue to be provided for all segments of the public, depending on demand.

**Scoping and Public Involvement:**

This environmental assessment was scoped for extraordinary circumstances in the Salmon Field Office and posted on the BLM ePlanning website in March 2014.

**Rationale for Decision:**

The proposed action is in conformance with the Lemhi Resource Management Plan and the authorized action will provide challenging and fulfilling recreation opportunities for endurance race participants.
