

Middle Gila Canyons Area Access and Transportation Visitor Information

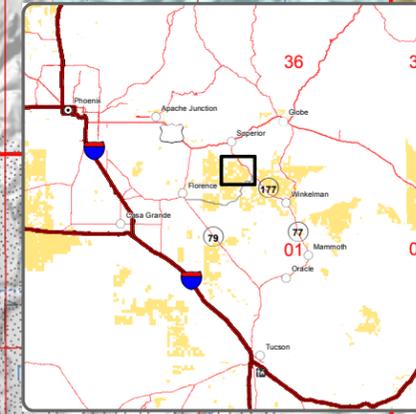

Access Route Map:

The purpose of this map is to identify the public land access routes to federal lands administered by the Bureau of Land Management (BLM) from the public highways, and the motorized route network established for BLM lands to provide for vehicle access for multiple purposes including administrative and public recreational use.

The official motorized route network for BLM lands was established in the Middle Gila Canyons Transportation Plan, EA AZ0420-2007-014, Decision Record Nov. 10, 2010. The BLM route network consists of primitive roads in rough to extremely rough condition.

BLM lands are accessed from the State and Federal highways by county maintained roads and other public land access routes across non-BLM lands. Street legal vehicle and operator requirements under ARS Title 28 regulations apply on the county maintained routes.

Federal lands administered by the BLM are open to public use, including use of Off Highway Vehicles, subject to public land regulations at 43CFR8360, and 43CFR8340.

DISCLAIMER:
Travel routes depicted on this map across Arizona State Trust Lands, National Forest lands, or private lands do not imply legal public access to use or cross those lands. Any public use of State trust lands is strictly under the jurisdiction of the Arizona State Land Department; use of National Forest lands is subject to National Forest regulations; and use of private lands requires permission of the land owner. All users must comply with State policies and regulations, National Forest regulations, and private land owner rights in order to legally use or traverse non-BLM lands.

- Other Sites of Interest:**
- Trailhead, Existing
 - Existing Corral
 - Existing Wildlife Water
 - Abandoned/Inactive Mine (Remediation Site)
 - Existing Livestock Water
 - Existing Gate
 - Existing Dispersed Campsite
 - Existing Cattleguard

Map Legend:

- State or Federal Highways
- National Forest Rd.
- County or Municipality Maintained Rd.
- Public Land Access Route
- BLM Primitive Road
- BLM OHV Site, Technical/Extreme
