## **DECISION RECORD**

### **Decision**

It is my decision to implement the proposed action on Bureau of Land Management (BLM) - managed lands as described in the attached Categorical Exclusion documentation, DOI-BLM-AK-A020-2015-0011-CX.

Specifically, it is my decision to amend the current UA right-of-way grant, to include the new borehole. This amendment will be for the same length of time as the original right-of-way grant along with the attached terms, conditions, and stipulations.

The proposed action has been reviewed by the BLM Glennallen Field Office staff and appropriate Project Design Features or stipulations, as specified, will be incorporated during project implementation. Based on the attached Categorical Exclusion review, I have determined that the proposed action involves no significant impact to the human environment and no further analysis is required.

Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the Office of the Solicitor (see 43 CFR § 4.413); Office of the Regional Solicitor, Alaska Region, U.S. Department of the Interior, 4230 University Drive, Suite 300, Anchorage, Alaska 99508; at the same time the original documents are filed with this office.
