

**White Canyon Wilderness  
AZA-25495**

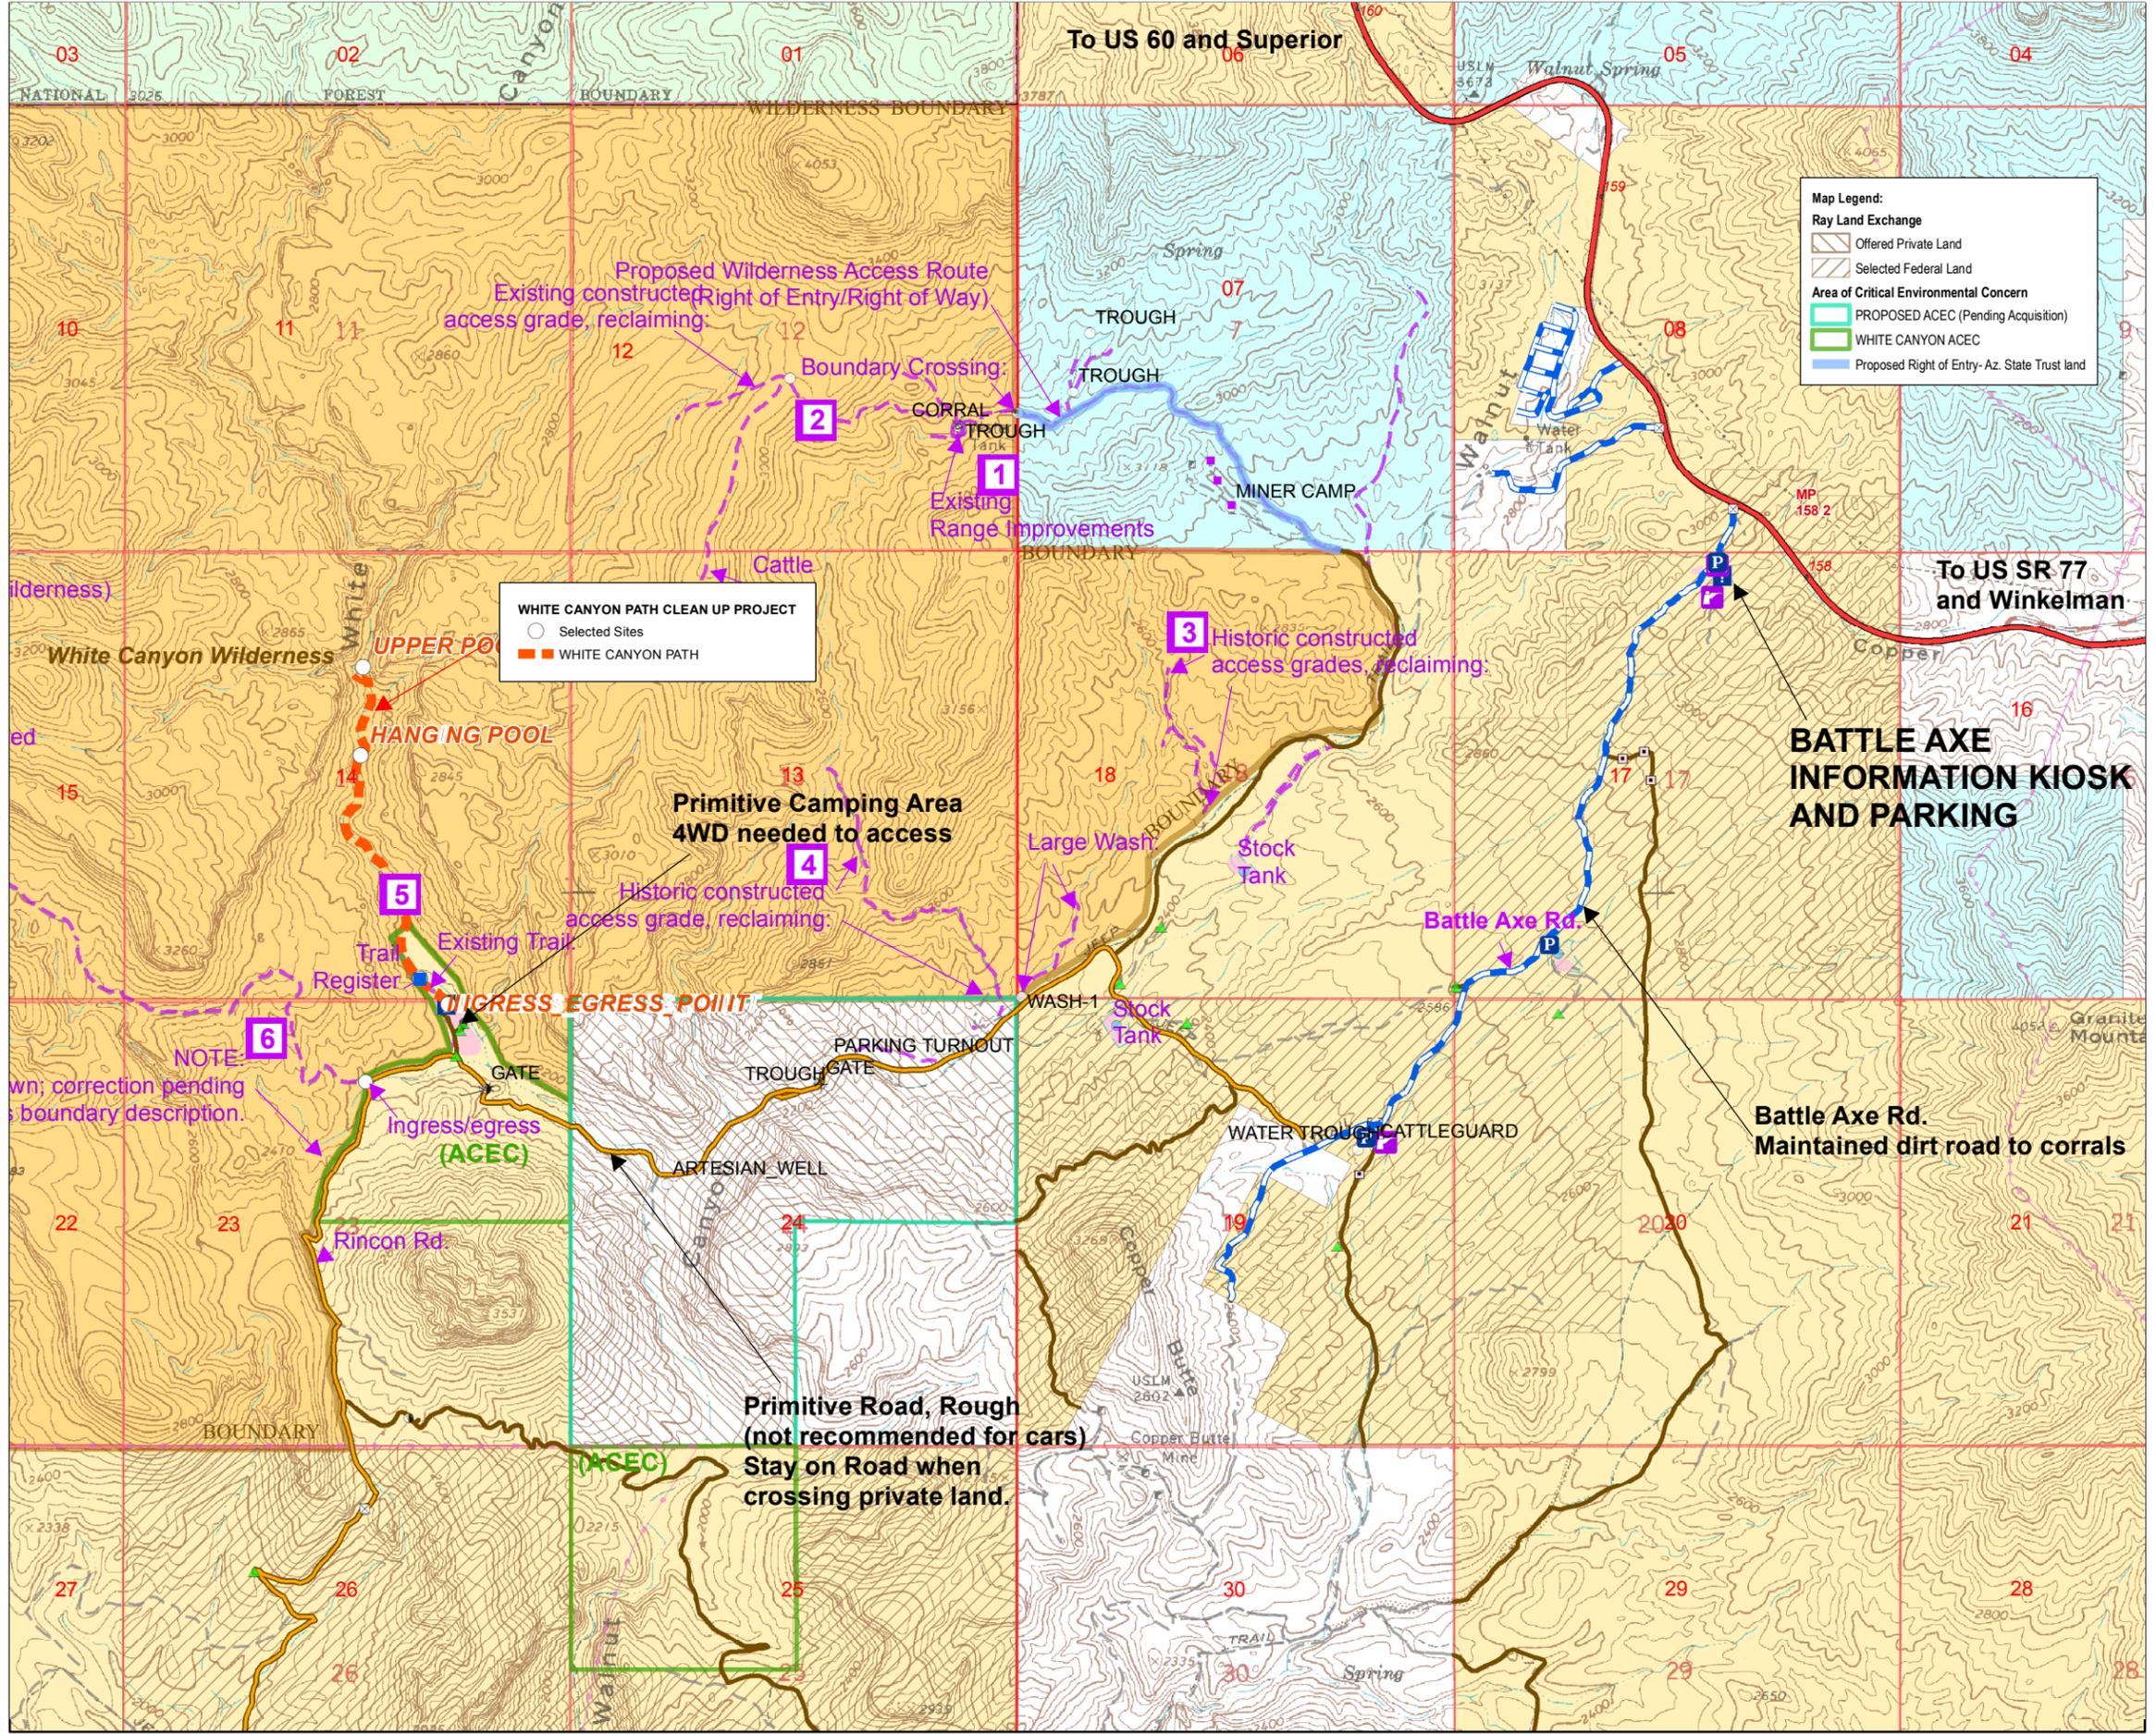

**Map 1: Proposed Clean Up Project**

Monitoring/Inspection items: Existing range improvements, corral, livestock water, existing grade, wilderness boundary signs, public land boundary signs, no-motorized vehicle signs.

This map shows the BLM Master Title Plats indicating the withdrawal for the White Canyon Wilderness (AZA-25495). The location for the Arizona National Scenic Trail shown is as built. The Ray Land Exchange parcels shown are as proposed and analysed in the Environmental Impact Statement.

The transportation routes are from the designations established in the Middle Gila Canyons Travel and Transportation Management Plan, Decision Record Nov. 10, 2010.

The monitoring and inventory information gathered will be considered in identifying short term resource protection actions, and developing the wilderness management plan for this area.
