MAY 14 2015

Dear Reader,

The Ely District, Schell Field Office, Water Canyon Wild Horse Growth Suppression Pilot Program Preliminary Environmental Assessment (EA) has been prepared to analyze the proposal to gather treat and release as well as remove excess wild horses from the Antelope HMA within the Water Canyon Project Area. The Preliminary EA DOI-BLM-NV-L020-2015-0014 will be available for your review and comment on May 15, 2015. The document may be viewed on-line on the National NEPA Registrar web page at https://www.blm.gov/epl-front-office/eplanning/nepa/nepa_register.do. Hard copies are available from the Schell Field Office.

Comments will be accepted for 30 days until June 15, 2015. Interested individuals should mail written comment to the BLM Ely District Office, HC 33 Box 33500, Ely, NV 89301 attn: Paul E. Podborny, Schell Field Manager. Comments need to be received (mailed, faxed, email, or NEPA Registrar comments) no later than June 15, 2015.

The only email comments that will be considered are emails sent through the NEPA Registrar or to blm_nv_water_canyon@blm.gov. Email comments sent to any other email address WILL NOT be considered.

If you have any questions on this matter, please contact Ben Noyes, BLM Ely District Wild Horse and Burro Specialist, at (775) 289-1800.

Sincerely,

Paul E. Podborny
Field Manager
Schell Field Office
