Based on the analysis of potential environmental impacts contained in the Environmental Assessment (EA) DOI-BLM-UT-Y010-2015-0186-EA for the February 2016 Competitive Oil and Gas Lease Sale, and considering the significance criteria in 40 CFR 1508.27, I have determined that with applicable mitigation measures, the Proposed Action would not result in significant impacts on the human environment. An environmental impact statement is therefore not required.
