Dear Mr. Palfreyman:

Enclosed please find a Grazing Permit (2 copies) that reflects the recent grazing transfer request to you from Joseph D. Jackson in the Gunnison Valley Allotment. The enclosed permit or lease is issued under the authority of Section 411, PL 113-76 as the result of a transfer of grazing preference and contains the same terms and conditions as the previous permit or lease. This permit or lease may be canceled, suspended, or modified, in whole or in part to meet the requirements of applicable laws and regulations.

Please read the Terms and Conditions by which this grazing permit is offered. Both copies of the grazing permit must be signed by you and returned for signature by the Bureau of Land Management's (BLM's) Authorized Officer. The Approved copy will then be sent back to you for your records.

Also enclosed is the Grazing Application (2 copies) for the upcoming 2015/2016 grazing season. The Application form provides you with the opportunity to apply for any changes you wish to request prior to issuance of a Grazing Bill. If you are not wishing to request changes to your livestock numbers for the season, you do not need to return the form. However, if you are requesting changes, complete and sign both copies and return to our office.

We look forward to working with you as a grazing permittee in our area. If you have questions, or we can be of further assistance, please contact me or Brandon Jolley, Rangeland Management Specialist at the address and phone number on the letterhead.

Sincerely,

Wayne Wetzel
