

Crescent Point Energy Utah Federal-Tribal Well Development Project Environmental Impact Statement

We Welcome Your Comments

The BLM is seeking feedback from you prior to the preparation of this well development EIS.

- ➔ Please provide specific comments related to: the project, alternative ways to develop the leases, human or environmental resources affected by the project, effects expected from the project or ways to minimize or eliminate effects from the project.
- ➔ Be clear, concise, and as factual as possible in your written comments.
- ➔ Comment forms are available to fill out and leave with the BLM tonight, or to mail via USPS at a later date.
- ➔ Scoping comments must be received by the BLM by 4:30 pm on May 9, 2016.
