OCT 24 2014

Dear Neighbor:

Thank you for attending the Bureau of Land Management's (BLM's) open house on October 16, 2014 where the Amendment to the Medford District Resource Management Plan for the Table Rocks Area of Critical Environmental Concern (ACEC) was discussed.

We heard your concerns about the proposed ACEC boundary and what we heard will help us shape revisions to the boundary and develop alternatives for this project. The BLM team will be working on developing new alternatives for the proposed ACEC boundary taking your concerns into consideration. Attached is another version of the proposed ACEC boundary that we could consider in the range of alternatives.

Based on the interest expressed at the open house, the BLM has decided to offer another opportunity for you to provide comments regarding this proposed project. This additional 30-day comment period will end November 25, 2014. You may submit comments by mail or in person to Bureau of Land Management, Attention: Jean Williams, 3040 Biddle Road, Medford, OR 97504; or by email to BLM\_OR\_MD\_Mail@blm.gov (Attention: Jean Williams). Please note, this is not the only opportunity you will have to comment on the proposed Amendment to the Medford District Resource Management Plan for the Table Rocks ACEC. When we complete the environmental assessment for this project, you will have an opportunity to make further comments.

The BLM appreciates your participation and will continue to keep you informed about revisions, alternatives, and other opportunities to participate as the project evolves.

Thank you for your time and contributions.

Sincerely,

Jean A. Williams  
Acting Field Manager
