

USDA Forest Service
ADMINISTRATIVE REVIEW OF PROPOSED OIL AND GAS LEASE PARCEL
36 CFR 228.102(e)

Serial Number: _____

Parcel Number: FIF-0210S-0010E-0001

Authorizing BLM to lease specific lands constitutes implementation of availability decision(s) for oil and gas leasing.

A. FOREST: Fishlake National Forest

DISTRICT: Richfield

Legal description of proposed lease parcel:

T. 21 S., R. 1 E., Salt Lake Meridian, Utah

Sec. 33: Lots 1, 2, 7-12;

Sec. 33: SE;

B. Has leasing of these lands been adequately addressed in a NEPA document? (X) YES () NO

Applicable NEPA document(s) (include title and date):

Environmental Analysis: Final Environmental Impact Statement, Land and Resource Management Plan, Fishlake NF, June 1986; Record of Decision and Final Environmental Impact Statement, Oil and Gas Leasing Analysis, Fishlake National Forest, August 2013.

Decision Document: Record of Decision, Final Environmental Impact Statement, Land and Resource Management Plan, Fishlake NF, 6/13/1986; Oil and Gas Leasing on Lands Administered by the Fishlake National Forest, Record of Decision, August 2013.

C. Is leasing of these lands consistent with the Forest land and resource management plan? (X) YES () NO

Date of Forest LRMP: June 1986

D. Are there any significant new circumstances or information relevant to environmental concerns related to leasing that require completion of supplemental environmental analysis before this parcel can be leased?

[40 CFR 1502.9 and 36 CFR 228.102(e)(1)] () YES (X) NO

If yes, specify circumstances or information:

E. Are conditions of occupancy properly included as stipulations? (X) YES () NO

(Attach Verification and Validation of Stipulations sheet.)

F. Can operations and development occur somewhere on the parcel? (X) YES () NO

G. Is any portion of subject parcel within an Inventoried Roadless Area? () YES (X) NO

If yes, identify Roadless Area name:

Identify legal description of parcel lands included in the roadless area:

SUMMARY OF REVIEW:

(X) Recommend leasing of parcel. Authorization to lease is subject to the Standard Lease Terms (BLM Form 3100-11) and Notice for Lands of the National Forest System Under Jurisdiction of Department of Agriculture [WO-10/05/2006] and the stipulations and/or lease notices as listed on the Verification and Validation of Stipulations document (attached).

() Object to lease for the proposed area.

Identify legal description of area affected (if only part of parcel is affected) and briefly state reason for objection (attach separate sheet, if needed):
