A. Background

BLM Office: Rawlins Field Office Case file Serial Number: WYW-183662
Proposed Action Title/Type: Champlin 222 F 9-50 Temporary Polyline.
Location of Proposed Action: T. 19 N., R. 93 W., Carbon County, Wyoming
Description of Proposed Action: Temporary Surface Polyline.

B. Land Use Plan Conformance

Land Use Plan Name: Rawlins RMP Date Approved/Amended: December 24, 2008
The proposed action is in conformance with the applicable LUP because it is specifically provided for in the following LUP decision(s):

Development of oil and gas reserves is in conformance with the RMP decision as described in the Minerals portion of the document (page 2-20, *Management Objectives*, 2) and the Lands and Realty portion of the document (page 2-16, *Management Objectives*, 6).

Respond to internal and external requests for land authorizations (page 2-16, *Management Objectives*, 6).

C. Compliance with NEPA

The Proposed Action is categorically excluded from further documentation under the National Environmental Policy Act (NEPA) in accordance with 516 DM 11.9, as found in H-1790-1, appendix 4 E:

- (9): Renewals and assignments of leases, permits, or rights-of-way where no additional rights are conveyed beyond those granted by the original authorizations.

This CX is appropriate in this situation because there are no extraordinary circumstances potentially having effects which may significantly affect the human environment. The proposed action has been reviewed, and none of the extraordinary circumstances described in 516 DM 2, as found in H-1790-1, appendix 5, apply.
