

Ambler Road Environmental Impact Statement

Section 106 Consultation Meeting –Alaska

AGENDA

January 17, 2018 1-3:30 pm

HDR Alaska, Inc., 2525 C Street, Suite 500, Anchorage, AK

Telecon # (866) 583-7984, Passcode 7538421

Presentation materials at: <http://www.blm.gov/AmblerRoadEIS>

1. Introduce consulting parties

- Bureau of Land Management (lead federal agency)
- State Historic Preservation Officer (SHPO)
- Tribal Representatives
- Other consulting parties (agencies, local governments, NGO's, etc.)

2. Introduce the proposed project

- 211 mile industrial access road from Dalton Highway to Ambler River
- Crosses BLM, State of Alaska, National Park Service and Native-owned lands

3. Discuss the Section 106 Process and roles and responsibilities for each participant

- a. Federal law (National Historic Preservation Act) that requires federal agencies to consider historic/cultural resources for proposed projects
- b. Consultation provides opportunity for Tribes and interested parties to share concerns or information about potentially affected historic or cultural resources

4. Discuss existing information and compiling the data gap analysis

5. Open discussion on issues, concerns, or information regarding cultural resources within the project area.

6. Outline next steps:

- Consultation Meeting #2 (Date TBD)
 - Defining the study area/APE
 - Identifying cultural resources within the study area
 - Identifying ways to avoid, minimize, or mitigate potential impacts to resources

7. Action Items:
