**Review of Extraordinary Circumstances
(DOI-BLM-CA-C070-2016-0018-CX)**

The following review of “extraordinary circumstances” is required by 43 CFR 46.215 to determine if an otherwise categorically excluded action would require additional environmental analysis/documentation.

- 1) *Have significant impacts on public health or safety.*
 Yes No

- 2) *Have significant impacts on such natural resources and unique geographic characteristics as historic or cultural resources; park, recreation or refuge lands; wilderness areas; wild or scenic rivers; national natural landmarks; sole or principal drinking water aquifers; prime farmlands; wetlands (Executive Order 11990); floodplains (Executive Order 11988); national monuments; migratory birds; and other ecologically significant or critical areas.*
 Yes No

Comments: The proposed action would not result in any adverse impacts on any such lands or resources.

The proposed action has been reviewed by the Bishop Field Office Archaeologist. There are no known historic or cultural resources within the area of potential effect (APE). The proposed action would have no effect on any cultural properties.

- 3) *Have highly controversial environmental effects or involve unresolved conflicts concerning alternative uses of available resources [NEPA Section 102(2)(E)].*
 Yes No

Comments: The proposed action is to issue a minimum impact film permit that does not involve any highly controversial environmental effects or involve any unresolved conflicts concerning alternative uses of available resources.

- 4) *Have highly uncertain and potentially significant environmental effects or involve unique or unknown environmental risks.*
 Yes No

Comments: The proposed action is to issue a minimum impact film permit that does not involve any highly uncertain or potentially significant environmental effects or involve any unique or unknown environmental risks.

- 5) *Establish a precedent for future action or represent a decision in principle about future actions with potentially significant environmental effects.*
 Yes No

- 6) *Have a direct relationship to other actions with individually insignificant but cumulatively significant environmental effects.*
 Yes No

Comments: The proposed action is to issue a minimum impact film permit that does not have a direct relationship to any other actions with individually insignificant but cumulatively significant environmental effects.

- 7) *Have significant impacts on properties listed, or eligible for listing, in the National Register of Historic Places as determined by either the bureau or office.*
 Yes No

Comments: The proposed action has been reviewed by the Bishop Field Office Archaeologist. There are no cultural properties listed, or eligible for listing, in the National Register of Historic Places within the area of potential effect (APE). The proposed action would have no effect on any properties listed, or eligible for listing, in the National Register of Historic Places.

- 8) *Have significant impacts on species listed, or proposed to be listed, on the List of Endangered or Threatened Species, or have significant impacts on designated Critical Habitat.*
 Yes No

Comments: There are no species listed, or proposed for listing, as either Threatened or Endangered occurring within or immediately adjacent to the proposed filming locations. The proposed action would have no effect on any species listed, or proposed for listing, as either threatened or endangered; nor would it have any effect on any proposed or designated critical habitat for any such species.

- 9) *Violate a Federal law, or a State, local, or tribal law or requirement imposed for the protection of the environment.*
 Yes No

- 10) *Have a disproportionately high and adverse effect on low income or minority populations (Executive Order 12898).*
 Yes No

Comments: The proposed action would have no effect on any low income or minority

populations.

11) Limit access to and ceremonial use of Indian sacred sites on Federal lands by Indian religious practitioners or significantly adversely affect the physical integrity of such sacred sites (Executive Order 13007).

Yes No

12) Contribute to the introduction, continued existence, or spread of noxious weeds or non-native invasive species known to occur in the area or actions that may promote the introduction, growth, or expansion of the range of such species (Federal Noxious Weed Control Act and Executive Order 13112).

Yes No

Comments: The proposed action is to issue a minimum impact film permit that would not contribute to the introduction, continued existence, or spread of any noxious weeds or non-native invasive species known to occur in the area or promote the introduction, growth, or expansion of the range of any such species.
