Description of Proposed Action: Amendment – Install a condenser and combustor, and approximately 20 feet of four (4) inch surface pipe contained in the existing right-of-way.

Decision:

I have reviewed the Proposed Action for the Amendment – Install a condenser and combustor, and approximately 20 feet of four (4) inch surface pipe contained in the existing right-of-way. (DOI-BLM-WY-D040-CX16-0146) using the Categorical Exclusion Review (CER) process described in BLM Manual H-1790-1. I have determined that the Proposed Action is in conformance with the approved land use plan, that the action would not result in significant environmental effects, and that no extraordinary circumstances apply. Therefore, it does not represent an exception, and is categorically excluded from further environmental review.
