

Bureau of Land Management STANDARD STIPULATIONS

AZA-036971

FILM PERMIT1. Definitions

- 1.1. The Tucson Field Manager or its designee is the Authorized Officer (AO), as defined by 43 CFR 2920.0-5(c).
- 1.2. "Permittee," or "holder," means New Zealand Natural History TV, and any and all assignees that may be of record, including all agents, contractors, sub-contractors, and employees.
- 1.3. "Permit," means the permit, or other permission granted by the United States to the permittee for the use of public lands and resources.

2. General

- 2.1. This permit would authorize filming/photography ONLY at the location(s) specified in the permit. NO filming/photography in wilderness would be authorized.
- 2.2. The permittee and all authorized individuals or film crews would have a copy of the permit and these stipulations at all times while filming on the Bureau of Land Management locations.
- 2.3. This permit would be issued subject to the permittee's compliance with all applicable regulations contained in Title 43 Code of Federal Regulations part 2920.
- 2.4. Permittee would conduct all activities associated with the operation and termination of the permit within the authorized limits of the permit. Disclosure of all aspects of the proposed activity would be completely described in the application. Any changes to the proposed activity would be approved in advance by the Bureau of Land Management authorized officer.
- 2.5. This permit applies only to those lands administered by the Bureau of Land Management and does not apply to National Park Service, U.S. Forest Service, or Tribal land jurisdictions. Permittee would be responsible to contact any other governmental entity that may have jurisdiction, including state (i.e., Arizona Department of Transportation, Arizona State Land Department) and local governments, and to obtain any additional authorizations that those entities determine necessary, including encroachment permits for filming/photography on state or county roadways.
- 2.6. This permit **would not** give permission to cross over or use private land. Permittee would be fully responsible for arranging access to private lands which may be needed for this activity and for all trespass on and/or damages to private land which may result from the permittee's activity.
- 2.7. This permit would be for non-exclusive use of the resource. Filming/photography activities would be conducted in a manner that does not disrupt other visitor's backcountry recreational experience. Permittee would not restrict access to any area open to the public.

- 2.8. Permittee would be responsible for the supervision of all participants, spectators, and other persons associated with the activity, and for public safety on-site.
- 2.9. No intentional filming of cultural resource sites would be allowed. If in connection with use any cultural sites/artifacts, human remains, funerary objects, sacred objects or objects of cultural patrimony as defined in the Native American Graves Protection and Repatriation Act (P.L. 101-601; 104 Stat. 3048; 25 U.S.C. 3001) are discovered, the permittee would stop use in the immediate area of the discovery and immediately notify the Bureau of Land Management authorized officer (520-258-7200).
