Dear Reader:

The Bureau of Land Management (BLM) Miles City Field Office prepared a Documentation of NEPA Adequacy (DNA) for the five nominated lease parcels being offered for competitive oil and gas leasing in a sale tentatively scheduled to occur on October 18, 2016.

The DNA is available for a 30-day public comment period. Written comments must be postmarked by June, 14, 2016 to be considered. Comments may be submitted using one of the following methods:

Email: BLM\_MT\_Miles\_CityFO\_Lease\_EA@blm.gov

Mail: Miles City Field Office

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Upon review and consideration of public comments, the DNA will be updated as needed. Based on our review, parcels recommended for leasing in our assessment would be included as part of a competitive oil and gas lease sale tentatively scheduled to occur on October 18, 2016.

Prior to issuance of any leases, the DNA will be finalized and posted for public review on our BLM e-Planning website. Please refer to the BLM e-Planning website for updated information and associated documents pertaining to this sale at <http://1.usa.gov/1QyUex8>.

If you have any questions or would like more information about lease sale notices or the issuance of the DNA please contact me at 406-233-2879.
