

## Appendix 2

### Proposed Action

#### Site Specific Design Features

North West access road					
<ul style="list-style-type: none"> <li>An archeologist with a current BLM permit would monitor construction of the access road in the North West corner of Section 22 T17N, R92W due to culturally sensitive soils.</li> <li>The access road would be surfaced with material compatible in color with the local environment to reduce visual impacts to the historic Overland Trail.</li> <li>The road shall be designed to the standards for a collector road from State Highway 789 to the CDP in T17N; R92W; Section 25.</li> </ul>
