I Believe its in the Best interest for the
Federal government to Back the Coal industry,
~~and~~ And for The Companies that go above
and Beyond the Regulation's they should Defiantly
Back. We Coal Miners pay alot of
taxes, and taxes are helping this County
God on the dollar. is enough. Don't
Try to Bankrupt The Coal industry.
What if the Coal Companies Came Together
and Didn't Sell, and the power Company Ran
out. No Power.
