Public Disclosure. Before including your address, e-mail address, or other personal identifying information in your comment, please be advised that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may request that we withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Comments (use back if needed):

Keep fossil fuels in the ground. Take
climate change seriously. No new coal
leases and phase out current leases
as soon as possible.

Help coal ~~state~~ workers transition to new
jobs.
