Public Disclosure. Before including your address, e-mail address, or other personal identifying information in your comment, please be advised that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may request that we withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Comments (use back if needed):

Failing to account for the extensive externalized costs of coal extraction and transport, or to acknowledge the role that coal extraction and burning play in climate and environmental degradation are unjust, immoral and not legally justifiable.

Thank you for holding these hearings in order to better reflect the true voices of U.S. citizens and residents.
