Public Disclosure. Before including your address, e-mail address, or other personal identifying information in your comment, please be advised that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may request that we withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Comments (use back if needed):

ending sale of coal from public lands will help with climate change. Anything that helps is so necessary. Please, please end the sale of coal from public lands! Rosemary Donaghue
