Comments (use back if needed):

THIS IS A VERY IMPORTANT HEARING AND AM GLAD WE CAN BE HERE REPRESENT (CONFEDERATE TRIBE) OF WARM SPRINGS AND OUR FISHING GUIDE SERVICE. LITTLELEAF GUIDE SERVICE. WE BEEN OPERATING ON THE LOWER DESCHUTES RIVER FOR OVER 5 YEARS! ALL BEING SAID WE SEE MANY TRAINS GO BY DAILY HOURLY FILLED W/OIL/COAL LIVING OFF OUR NATURAL RESOURCES IS A DREAM COME TRUE! WITH THREATS OF OIL/COAL @ OUR FRONT DOOR IS DEVASTATING! THE KNOWLEDGE OF A SPILL OR DERAILMENT COULD DISCRIMINATE OUR NATURAL

Resources. As native Americans the Salmon
are one of our traditional Foods! Our ~~ceded~~
lands consists of tributaries where the Salmon
steelhead, trout, steelhead smolt run on. More info's
details refer to the treaty of 1855...

The tribes covered under the treaty of 1855
have grandfather rights to our ~~water~~ rights.
So why are our treaties over looked all the
time? When will the Gov uphold their

WORD... We have lost so much land
resources already. We are already paid
the price being hearded like cattle to
live on Reservations limit us in every
way and form. When is enough, enough

NO COAL no OIL ??????

no Nestle (we just won against Nestle
in Oregon)

NO major corporations

no more LIES!!
