

1 to those who would exploit our resources merely for money  
2 and who care not about the consequences of their actions.

3 Do not reinstate the leasing program and let's phase  
4 out of fossil fuels quickly so that we can have a safe  
5 environment for our future. Thank you.

6 MR. BATTIS: So, Panel Members, there's  
7 a rumor we're in for a special treat here.

8 MS. MASCALL: Good afternoon. We are  
9 the Raging Grannies, a social and environmental justice  
10 group, and we'd like to give you our testimony in the  
11 form of a song.

12 [Singing] Oh, We're a gaggle of grannies urging you  
13 off of your fannies. These trains filled with oil make  
14 our blood boil. Keep it in the ground. The CO2 keeps on  
15 rising. This isn't really surprising since it's driven  
16 by greed, we must intercede, keep it in the ground.

17 If there's to be a future for beings on this earth,  
18 we will take to the streets and make our voices heard, so  
19 join this gaggle of grannies, get up off of your fannies.  
20 We're telling you now we're angry and how, keep it in the  
21 ground. We really mean it. Keep it in the ground. We  
22 mean precisely, keep it in the ground. We will say it  
23 very nicely, keep it keep it in the ground. Read our  
24 lips. Keep it in the ground.

25 Thank you.
