### 1.1. Environmental Assessment DOI-BLM-NV-S010-2010-0183-EA

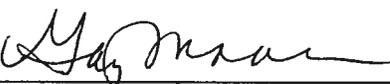

#### Four Site Post and Cable Fencing

Based on the analysis of potential environmental impacts (per Environmental Assessment DOI-BLM-NV-S010-2010-0183-EA), I have determined that the proposed action will not have any significant impacts on the environment and an environmental impact statement is not required.

# **Chapter 1. Four Site Post and Cable Fence**

## **1.1. Compliance**

The proposed action described in Environmental Assessment DOI-BLM-NV-S010-2010-0183-EA is in conformance with the Las Vegas Resource Management Plan (RMP) and complies with the following objectives and management direction:

AR-1-b — Permit only those activities on BLM-administered lands that are consistent with Federal, State, and local air quality standards and regulations. Require that all appropriate air quality permits are obtained before BLM approval of an action is granted. Where applicable, demonstrate how proposed management actions comply with local, state, tribal and Federal air quality laws, regulations and standards.

Clark County Air Quality Regulations Section 90: Fugitive Dust from Open Areas and Vacant Lots — If open areas and vacant lots are 5,000 square feet or larger and are disturbed by any means, including use by motor vehicles, off-road motor vehicles or material dumping, then the owner/operator of such open areas and vacant lots shall implement one or more of the control measures described in Subsection 90.2.1.1. Subsection 90.2.1.1(a) describes control measures that can include barriers, fences, gates, posts, signs, etc.

The proposed action is in compliance with the Migratory Bird Treaty Act , Endangered Species Act of 1973, as amended , National Historic Preservation Act, the Clean Water Act, and is consistent with the applicable plans and policies of county, state, tribal and federal agencies.

## **1.2. Selected Action**

The Bureau of Land Management (BLM) Las Vegas Field Office has determined that authorization of the installation of post and cable fence would not result in significant impacts based on Environmental Assessment DOI-BLM-NV-S010-2010-0183-EA and the corresponding Finding of No Significant Impact. It is the decision of the Associate Field Manager, Renewable Resources, to authorize the installation of the post and cable fence at the described locations.

## **1.3. Compliance with NEPA:**

The proposed action, described in the attached Environmental Assessment DOI-BLM-NV-S010-2010-0183-EA, incorporated herein by this reference, will not have a significant impact on the human environment and the action does not require the preparation of an Environmental Impact Statement.

## **1.4. Public Involvement:**

Applicable stakeholders were consulted and had no issues with the proposed action. The public will be able to view Environmental Assessment DOI-BLM-NV-S010-2010-0183-EA on the NEPA registry webpage.

## 1.5. Rationale:

The proposed action is in conformance with the Las Vegas Resource Management Plan as well as local regulations. The proposed action will provide an overall benefit to the environment by deterring the abuse of public lands by illegal OHV use and illegal dumping activity.

## 1.6. Appeal or Protest Opportunities:

The decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 C.F.R., part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing the decision appealed from is in error. If you wish to file a petition pursuant to regulation 43 C.F.R. 2801.10 or 43 C.F.R. 2881.10, for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by IBLA, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate office of the solicitor (see 43 C.F.R. 4.413) at the same time the original documents are filed with this office. If you request a stay you have the burden of proof in demonstrating that a stay should be granted.

### STANDARD FOR OBTAINING A STAY

Except as otherwise provided for by law or other pertinent regulations, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

1. The relative harm to the parties if the stay is granted or denied,
2. The likelihood of the appellant's success on the merits,
3. The likelihood of immediate and irreparable harm if the stay is not granted, and
4. Whether the public interest favors granting the stay.
