What is a substantive comment?

To state that you are in favor or opposed to a proposal, without an explanation of “because” or “why”, is considered non-substantive.

A ***substantive comment*** would:

- 1) Question, with reasonable basis, the accuracy of the information in the environmental analysis;
- 2) Question, with reasonable basis, the adequacy of, methodology for, or assumptions used for the environmental analysis;
- 3) Present new information relevant to the analysis;
- 4) Present reasonable alternatives other than those analyzed in the environmental document; and/or
- 5) Cause changes or revisions in one or more of the alternatives.

An *effective* substantive comment refers to a specific page number, section number, and line number in the environmental document.

Privacy Notice: Before including your address, phone number, email address, or any other personal identifying information in your comments, be advised that your entire comment(s), including personal identifying information, may be made publicly available at any time. While individuals may request that the BLM withhold personal identifying information from public view, the BLM cannot guarantee it will be able to do so. If you wish to withhold your personal information, you must state this prominently at the beginning of your comment(s). We will make all submissions from organizations and businesses available for public disclosure in their entirety.
