Decision Record

Decision: It is my decision to offer a road RoW to Adams County as described in EA # DOI-BLM-ID-B010-2011-0010 under Alternative B.

- **Summary of the Selected Alternative:** Issue a right-of-way to Adams County under the authority of the Federal Land Policy and Management Act of October 21, 1976, as modified, for 30 years with the right of renewal. The right-of-way will authorize the County to construct and maintain a new Wilson Creek road that crosses the above described public land. The right-of-way would be issued for a corridor approximately 3,724' long with a variable width not to exceed 60-feet.
- Decommission the old Wilson Road occurring on BLM lands.
- Treat two stream segments in Goodrich Creek to stabilize the stream channel, reduce erosion, and protect water quality.

Rationale: The selected alternative: ;

- Will result in acceptable short-term adverse impacts, and desirable long-term improvements to riparian vegetation, water quality, and wildlife habitat, and overall watershed stability.

Public Involvement:

No public meetings were scheduled as scoping revealed no contentious issues were present which would require further consultation or analysis.

Responses:

Comments of support were received from the Shoshone-Paiute Tribe, US Forest Service, ACOE, IDWR, and affected private landowners.
