ERRATA SHEET

This Errata Sheet amends the Notice of Competitive Lease Sale (NCLS) posted on April 26, 2018, for the Bureau of Land Management (BLM) competitive oil and gas lease auction to be held online at https://www.energynet.com/ on June 12, 2018.

1. Stipulation UT-S-121, as described below, has been applied to the following parcels:

   UTU93252 (UT0618-003)

   **UT-S-121**

   **NO SURFACE OCCUPANCY – RIPARIAN AND WETLAND AREAS**

   No surface disturbance and/or occupancy within buffer zones around natural springs. Base the size of the buffer on hydrological, riparian, and other factors necessary to protect the water quality of the springs. If these factors cannot be determined, maintain a 330-foot buffer zone from outer edge.

   **Exception:** Consider exceptions if it can be shown that (1) there are no practical alternatives to the disturbance, (2) all long-term impacts can be fully mitigated, and (3) the activity will benefit and enhance the riparian area.

   Consider compensatory mitigation where surface disturbance cannot be avoided within riparian wetland habitats on a site-specific basis.

   **Modification:** None

   **Waiver:** None

Please direct any questions regarding this Errata Sheet to Sheri Wysong, Fluid Minerals Leasing Coordinator, at 801-539-4067 or swysong@blm.gov.
