AMENDMENT NO. 1

The Utah State Office Notice of Competitive Lease Sale (NCLS), dated April 18, 2022, for the June 30, 2022, Competitive Oil and Gas Lease Sale (Lease Sale), offering lease parcel UTUT105295008 (UT-2022-06-7072) is amended for the following reason:

The authorized officer has decided to grant, in part, the Southern Utah Wilderness Alliance's May 16, 2022, protest of the NCLS and has selected the No Action Alternative analyzed in Environmental Assessment DOI-BLM-UT-0000-2021-0007-EA. The No Action Alternative proposed not offering any parcels in the Lease Sale. Therefore, the parcel offered in the NCLS is not available for leasing unless the lands are renominated and BLM determines they are suitable to offer at a future lease sale.

If you have any questions, please contact Angela Wadman, Branch Chief of Fluid Minerals, at (801) 539-4052 or email awadman@blm.gov.
