Withdrawal of Finding of No Significant Impact (FONSI) for the Big League Timber Management Project Environmental Assessment (DOI-BLM-ORWA-N050-2022-0003-EA)

Dear Interested Public:

The Bureau of Land Management (BLM), Northwest Oregon District, Upper Willamette Field Office, is notifying you that the Finding of No Significant Impact (FONSI) for the Big League Timber Management Project Environmental Assessment (DOI-BLM-ORWA-N050-2022-0003-EA) has been withdrawn.

If or when BLM chooses to develop a new Environmental Assessment under the National Environmental Policy Act (NEPA), it will consider new information, conduct additional analysis, and solicit further input from members of the public. I anticipate that BLM would issue a new FONSI if it finds there would be no significant environmental impacts and a Decision Record at the conclusion of this future NEPA process. For more information about the Big League Timber Management Project, please contact me at (503) 375-5643.

Sincerely,

Dennis C. Teitzel
